(Bowie, Md...February 23, 2009) **Plan B Government Systems, Inc.** (PBGSI) today announced the award of a five-year **U.S. Government Services Administration** (GSA) listing, number **GS-35F-0237V**, allowing government customers to purchase PBGSI information technology equipment, software and services from the GSA Schedule.

PBGSI is a Service-Disabled Veteran-Owned Small Business (SDVOSB) located in Bowie, Maryland, serving federal, state and local government clients throughout the nation.

"Organizations can now conveniently find PBGSI on the GSA Schedule" said **Bill Grimsley**, PBGSI Sales Director. "Top manufacturers Plan B has partnered with for years are now available to our government customers" he said.

Currently, PBGSI lists both **Xceedium**, provider of entitlement management solutions for high-risk users, and **triCerat**, software developer for simplifying workspace environments, under their GSA contract. PBGSI plans to add other technology manufacturers throughout 2009. PBGSI currently has partnerships with leading technology solutions providers including (but not limited to) **Quantum, CommVault, NetApp, Citrix, Data Domain, VMware, Juniper** and **Symantec**.

"PBGSI's listing on the GSA Schedule further validates our commitment to our clients and our expertise in the industry" said PBGSI President **Donnie Downs**. "The team at PBGSI is excited to begin this new chapter of the organization and meet the demand for our services and solutions through the GSA Schedule."

The complete approved Schedule and price list can be found on the PBGSI website at [www.planbgov.net](http://www.planbgov.net).
