

## **PBGSI LISTED IN WASHINGTON TECHNOLOGY 2011 FAST 50**

**(Bowie, MD... August 3, 2011) Plan B Government Systems, Inc. (PBGSI)** was recognized as one of the **2011 Fast 50** by **Washington Technology**. Ranked at number 12 out of over 100 applicants, PBGSI was awarded based on a five-year compound annual growth rate of 152.3 percent.

"I am very proud of our accomplishments in just a few short years" said **Bill Grimsley**, VP, Federal. "We stress the importance of the "TEAM" at PBGSI. We have a unified vision – so whether you're in sales, marketing or professional services we can rely on one another to help achieve our mission and our customers' goals."

Rankings were based on revenue growth from 2006 to 2010 for companies with prime and sub-contracting work in the federal, state and local government markets. Washington Technology Editor **Nick Wakeman** described the list as "A celebration of the achievements of some of the best small businesses in the market."
